

APCE & CECE 2020 Angkor Wat

Joint Meeting of 18th Asia Pacific International Symposium on Microscale Separations and Analysis and 17th International Interdisciplinary Meeting on Bioanalysis

November 1 – 5, 2020

Sokha Siem Reap Resort & Convention Center
Siem Reap (Angkor Wat), Cambodia

I U P A C
INTERNATIONAL UNION OF
PURE AND APPLIED CHEMISTRY

Topics of APCE-CECE

Capillary electrophoresis
Liquid chromatography
Ion chromatography
Gas chromatography
Mass spectrometry
Hyphenated techniques
Multidimensional separations
Supercritical fluid chromatography

Sample preparation techniques
Micro and nanofluidics
Novel instrumentation
Biochip and nanobiosensors
Pharmaceutical analysis
Biomedical analysis
Environmental analysis
Miniaturization in analytical techniques

Water analysis
Food analysis
Forensic analysis
Chemometrics
Industrial analysis
Bioinformatics for bioanalysis

I U P A C Special Session

“Microplastics in the Environment”

Organized by the Chemistry and the Environment Division, IUPAC
